From the Council:

We were enlightened by Connie Reilly at the recent October member's meeting. Over 50 people came for her demonstration. This was a great turnout. Connie worked in pastels and used Chris Sherry as the model. Chris provided us with lots of laughs, helped along by remarks from Kudzu members, making the evening educational and enjoyable. Connie, thank you for the wonderful evening.

- We are wanting to have more member involvement in our news letter. This month we have added **ARTIST TIPS**. We are looking for these tips or secrets to come from our members. Also, we would like to recognize any members that received awards outside of Kudzu. Please advise a council member so we can include it in our newsletter.
- The council would from time to time like to recognize any member that has provide special service to Kudzu or any art related venue.

The success of everything above along with Kudzu's success relies on YOU our members. Please continue to help out and step forward in our quest to make Kudzu a viable destination in Gwinnett.

We wish you all a Thanksgiving filled with family, great food and fun.

NEWS! Outside Award Winners for October!

Cyndi Marble, Carol Luttenburg, Miki Root Dillion, David Raderstorf — Georgia National State Fair.
Stan Susky — Quinlan Visual Arts Center.
Please tell us of any awards you have won. If we missed anyone, we'll include you in next month's issue.

When you need a small accent or highlight try using a squeezable white out pin. This makes great eye accents, snow or little light spots without getting out the paints.
